32 members

ESTABLISHED BEST ”

practices for document
submission, management,
and long-term preservation

The OhioLINK ETD Center
invites you to participate
in Open Access Week
October 23 - October 29

Open Access Week helps promote the exposure & use of scholarly research for the advancement of academia, science, industry, & science as a whole.
THEME: "Open in order to _____"

Since 2001, the OhioLINK ETD Center has been the open access central submission and repository data base for theses & dissertations produced by student authors from over 30 universities and colleges in Ohio.
